Dear Attorney-General Frecklington and Minister Purdie,

I am writing to bring to your attention a deeply concerning matter involving a grievous assault that occurred on 30 August 2024, which has had a profoundly traumatic impact on my life. I am requesting your review and intervention in this case to ensure justice is served.

Case Details:

- **QP Number:** QP2401492629
- **Investigating Officer:** Detective Aaron Barker, Gold Coast CIB North, Task Force Latro
- **Incident Location:** Bathroom of Oracle East, following stalking from the G-Link tram stop 'Broadbeach North'
- **Assailants:** 6-7 youths, apprehended using Gold Coast CCTV footage.
- **Missing Evidence:** After returning to the hallway in Oracle East where I was stalked and attacked, I spoke to the strata manager, Ms. Chelsea Steber (contact: 0402 810 651), and asked if the CCTV footage from inside the building had been subpoenaed. She informed me that she never received any subpoena from the police. This critical oversight has likely resulted in the permanent loss of key evidence.

Concerns:

1. **Failure to Provide Statement Copies:** Despite providing a statement at the Child Protection Unit, I have not been given a copy, even after multiple requests.
2. **Lack of Follow-Up:** There has been no communication from Queensland Police since I provided my statement. The only follow-up was a call with Ms. Sarah from Youth Justice (contact: 0435 655 082).
3. **Ongoing Threat:** About four weeks ago, one of the assailants gestured at me on the tram, which has further heightened my distress.
4. **Failure to Preserve Critical Evidence:** The failure to subpoena critical CCTV footage from Oracle East reflects a lack of diligence in evidence collection. This has likely compromised the investigation and hindered justice.
5. **Failure to Pursue Charges:** Despite the severity of the assault, it appears the individuals involved have not been charged with grievous bodily harm, as evidenced by the attached medical report.

Attachments:

- **Medical Report:** This documents the severity of the injuries I sustained during the assault.
- **Business Card of the Strata Manager:** Ms. Chelsea Steber, who manages Oracle East and informed me that no subpoena for CCTV footage was ever issued.

Request for Review:

This case involves serious charges of grievous bodily harm, and it is deeply troubling that these individuals have not been brought before the Court on serious indictable charges. I believe Detective Barker did not adequately discharge his duties as a sworn Queensland Police Officer.

Your government was elected with a promise to protect Queenslanders through strong legislation. This case exemplifies a failure to act decisively against individuals who pose a danger to the community.

If this situation sends the message that it is acceptable to assault a member of the public like myself, I must ask: what would happen if the victim were a woman or someone even more vulnerable? Why is nothing being done to hold these juveniles accountable?

Call to Action:

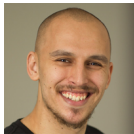

1. Conduct a full review of this case.
2. Ensure the individuals involved are charged appropriately and brought before the Courts.
3. Refuse bail to the offenders, given their ongoing threat to public safety.
4. Address the failure to subpoena critical evidence from Oracle East, and hold those accountable for this oversight.

5. Provide a formal response within 30 calendar days. If more time is needed, I request that your office inform me of the extension and timeline for resolution.

This incident has left me deeply traumatised, feeling unsafe in my own community, and distrustful of the system meant to protect me. It has disrupted my life and continues to do so. I trust your office to address this matter urgently and justly.

Thank you for your attention to this serious issue. I look forward to your prompt response.

Kind regards,

Dear Attorney-General Frecklington and Minister Purdie,

My name is Konstantin Kondratenko, and I am writing to express my gratitude for the prompt attention given to my claim. I would also like to extend my heartfelt thanks to the Detective Sergeant who personally came to see me, Rob Wilkinson.

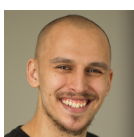

Detective Sergeant Wilkinson went out of his way to meet me in Southport, and his professionalism, politeness, and attentiveness were exemplary. He addressed my concerns thoroughly and even provided me with a ride to my appointment, showcasing an exceptional level of care and dedication.

I believe recognition is due for his outstanding conduct, which left a lasting impression on both myself and a friend who accompanied me. My friend remarked on how trustworthy and commendable Detective Sergeant Wilkinson is as a member of the Queensland Police Service.

I kindly request that you pass on my gratitude to the Commissioner and ensure that Detective Sergeant Wilkinson receives acknowledgment for his professionalism, compassion, and exemplary service. His efforts made a significant positive impact, and I believe he truly deserves commendation.

Thank you for your time and for considering this request.

Best regards,
