Dear McKays Reception,

My name is Kosta and I run a website called [Sunlight.Quest](https://sunlight.quest/episode-6) - and I'm working on an episode currently that I wanted to reach out to you about which you can see below:
<https://sunlight.quest/episode-6>

I've come across an email you sent to Adam Watson with the subject line 'Fraudulent Form 484 lodged' which you can see below:
https://sunlightquest.s3.ap-southeast-2.amazonaws.com/pioneer_lakes/mckays_letter_fraudulent_form_484_REDACTED.pdf

However I have also come across a Form 484 which you can see below:
https://sunlightquest.s3.ap-southeast-2.amazonaws.com/pioneer_lakes/change_to_company_details_REDACTED.pdf

I have been assisting Adam on this deal and Mike (your client) has gone quiet on me and won't return messages - can you ask him and confirm with him if the signature of page 18 of the PDF belongs to him and if he was the one that signed it?

Also if you wish to make a statement on the website or any of the allegations published so far I will be happy to include your statement.

Kind Regards,
Kosta Kondratenko
